Report

Lecture on “Science in Archaeology: Case Studies and Scientific Approaches to Understand the Past” by Mr. Raman Bhati, Assistant Archaeologist at the Directorate of Archaeology and Museums, Government of Gujarat.

19 February 2025(Wednesday)

Literacy Club in collaboration with the Faculty of Liberal Arts organised an insightful lecture titled “**Science in Archaeology: Case Studies and Scientific Approaches to Understand the Past**” by Mr. Raman Bhati, Assistant Archaeologist at the Directorate of Archaeology and Museums, Government of Gujarat. The session took place at the **IUHP Auditorium** and was attended by around 70 participants, including students and faculty members.

Following the lecture, an interactive Q&A session allowed students and faculty members to engage in meaningful discussions. Participants inquired about the practical applications of scientific techniques, challenges faced in archaeological excavations, and career opportunities in the field. Mr. Bhati patiently addressed their queries, providing deeper insights into the evolving landscape of archaeology and the significance of technological advancements in research and heritage conservation. The lecture concluded with a note of appreciation from the organizing committee, acknowledging Mr. Bhati’s valuable contributions and the enthusiastic participation of attendees.
