

INDUSTRIAL VISIT REPORT

Dated: 12.04.2019

Place of Visit: Civil Aerodrome, Haryana Institute of Civil Aviation, Pinjore, Haryana on 11.04.2019.

The students and Faculty got an opportunity to visit a nearby Civil Aerodrome owned by Haryana Institute of Civil Aviation (HICA), Haryana on 11.04.2019. It offers various courses such as Student Pilot License, Flight Radio Telephone Operator Licence, Flight Radio Telephone Operator Licence (Restricted), Private Pilot Licence, Commercial Pilot Licence, Assistant Flight Instructor Rating, Flight Instructor Rating.

Pinjore Airfield is an uncontrolled airfield. It is situated at an elevation of 1760 feet with coordinates of Lat 030 Deg 49' 35" N and Long 076 deg 52' 57" E. It has only one runway with a total length of 3000 feet and has width of 75 feet. No landing aid is available at the airfield..

The students had a great learning experience during the whole visit and conclude that while going through the entire visit to the Aerodrome, the cooperation is found to be very well organized, developed & most ideal industry in every walk of its course instruction, administration & management aspects.

Prof. Pankaj Diwan, Training & Placement Officer led the Industrial visit of 36 students (including BBA II, IV & VI and B.Sc. I & III semester students) along with Prof. Harshveer Kaur, Faculty (FST) and Sh. Rajinder Mohan, Admin. Astd.

Prof. Pankaj Diwan
