

A FRUITFUL INDUSTRIAL TRIP TO COCA COLA

On 1st November, 2021, Faculty of management Studies organized an Industrial trip to Coca Cola, Baddi for B. Com Students which proved to be a wonderful learning experience for them. The main motive of this Industrial-Academic interaction was to expand the horizon of the students' knowledge and break their limits of practical learning processes. The ICFAI University, Himachal Pradesh always offers best opportunities to its students for their overall development and such trips improve both theoretical as well as practical knowledge.

Hon'ble Vice Chancellor, Prof. (Dr.) Ramanjeet Singh appreciated the efforts put in by the Head of Department, FMS, Dr. Jagdeep Singh in coordination with faculty, Ms. Yuvika Singh for organizing such knowledgeable Industrial trips for the development of students. The students were accompanied by the faculty members, Ms. Ritika Mankotia and Mr. Gurpreet Singh.
